REVESTIMIENTO / WHITE BODY GLAZED WALL TILE / FAÏENCE

Revestimiento: Laurel Clay - Selma Grey / 6x20 cm / 2 1/2" x 8"

White body, glazed, double-fired ceramic wall tile with an absorption of over 10%. Each piece is unique. Due to its artisanal manufacture, this product will present variations in caliber, flatness, straightness, texture, design and shade. These special variations give the product unique characteristics and a personality all its own. No two pieces are the same. This product is most beautifully installed with a wide, irregular, and artisanal grout joint. We do not recommend installing these tiles in a wet or splash area. The surface is textured, sometimes with deep crevices, so occasionally there may be pinpoints which are not completely covered in glaze. If you choose to install in a wet or splash area, a waterproof membrane is required prior to installation, and grouting and sealing will be necessary.
